STATEMENT OF FACTS REGARDING REFUSAL TO SIGN OF WOLFGANG GRILL

Commissioner of Patents and Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Our statement of the issues regarding the refusal to sign of Wolfgang Grill follows:

We are facing severe difficulties to obtain the signature of the second named inventor, Wolfgang Grill (address: Linnestrasse 5 of Leipzig in Germany) refuses to sign the Declaration/Power of Attorney.

Mr. Wolfgang Grill has been contracted as an outsourcing person and was asked to do development and research for the applicant, i.e. PFW Technologies GmbH.

During the years 2004 and 2005, the relationship between the applicant and Mr. Wolfgang Grill became worse and worse and finally, there was a kind of separation by mutually paying penalties for not having done the appropriate work in appropriate time at appropriate and adequate conditions.

To cut a long story short, we have contacted Mr. Wolfgang Grill via telephone today, i.e. on January 24, 2007, and he absolutely refuses to sign the Declaration/Power of Attorney as well as the Assignment and he doesn't want to be involved with any business relationship with respect to PFW Technologies GmbH.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that the statements were made with the knowledge that willful false statements and like so made were punishable by fine or imprisonment under the provisions of 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

Wolfram J. Hörschler
